OUR GOAL FOR SPRING RINGETTE

We would like all players and parents to be aware that our goal for Spring Ringette is to keep our players on the ice during the Spring. We are providing this as a FUN activity for the players.

VOLUNTEERS

In order to make this an enjoyable experience for the players we will need a number of volunteers. We will need a minimum of 2 coaches per session to help with the on ice warm up and operate the benches during game play. We would like these coaches to be currently insured as coaches with our association.

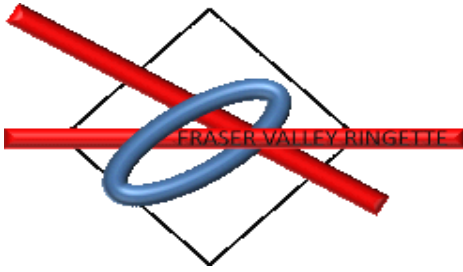

We will also need 2 parent organizers for each session to help the coaches and arrange teams each week. These parents would also be the contact parent, if a player will not be attending.

In addition we would ask that all parents be willing to do some Time Keeping and Score Keeping duties.

The players will not receive a lot of instruction.
